

BOARD MEMBER CONFLICT OF INTEREST

The members of the Board of Education shall avoid acting in circumstances where their personal interest conflicts with that of the public whose interest they have been elected to represent. No member of the Board shall apply for a position as a paid employee of the district and neither the Board nor any officer or employer of the district shall consider any application from any such member unless he/she shall have resigned as such member prior to the submission thereof. The actions of the Board shall be governed by the applicable provisions of the General Municipal Law, and other applicable law and the code of ethics established pursuant to Board Policy 2160.
