

CHILD CARE ALLOCATION OF SPACES

The Board of Education of the Cobleskill-Richmondville Central School District shall establish a system to prioritize the allocation of spaces for eligible three- and four-year old children in the order listed by Education Law 8189 of the New York State Laws of June 14, 2000.

To provide child care services during non-school hours, or to provide child-care services during school hours for the children of pupils attending the schools of the district and, if there is additional space available, for children of employees of the district, and if there is further additional space available, the Cobleskill-Richmondville School District shall provide child-care services for children ages three and four who need child care assistance due to a lack of sufficient child care spaces. Such determination shall be made by the district's board of education, provided that the cost of such care shall not be a school district charge but shall be paid by the person responsible for the support of such child; the local social services district as authorized by law; or by any other public or private voluntary source or any combination thereof.
